Advertising overload

J 659. 1 HAR

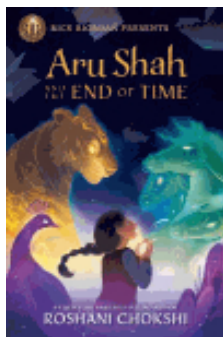

"Media outlets rely on advertising for financial support, but in many cases it's becoming more difficult to determine where the news ends and advertising begins. "Advertising Overload" takes a closer look at the encroachment of sponsored content and paid advertisements in areas where consumers might not expect to see them, as well as the ways that companies use collected data to push targeted advertising at consumers"--Amazon.com.

Archibald Finch & the lost witches

J F GUY bk.1

"[When Archibald Finch explores] his Grandma's manor, an adventure is not what he was looking for--only his Christmas present. Instead, it's a family secret he stumbles upon. Key to that mystery, an ancient terrestrial globe, populated by the most fantastic beasts. When he unlocks the storm trapped inside, Archibald is thrust into the unknown--a dark land where a battle started in the Middle Ages is still unfolding. Beware, broomsticks don't fly in Lemurea. But Marodors do..."--Amazon.

Lunar blitz

J F CHE

"Strike Sazaki loves defying gravity on the moon in his Ultrabot suit. He's the best quarterback in the league, but while Strike's led the Taiko Miners to the Ultrabowl three years in a row, each one has ended in defeat. This year, Strike thinks he's finally found the missing piece to his championship quest: a mysterious girl who could be his new star rocketback. But Boom comes from the Dark Siders, a mass of people who left the United Moon Colonies to live in exile. And not all his teammates are happy sharing a field with her. When rumors surface of a traitor on the Miners, Strike isn't sure who he can trust. If Strike can't get his teammates to cooperate and play together, they'll lose more than just the Ultrabowl. The stake of the colony's future is on his shoulders"--Amazon.com.

Uncovering bias in the news

J 071 HAR

"Media consumers rely on objectivity from their news sources, but that's not always a realistic expectation. [This book] looks at the ways in which multiple media outlets can cover the same story in vastly different ways, the reasons for these differences, and how to recognize bias in a news report"--Amazon.
